

*"Dentists are here to help children who need care.  
We spend these two days every year opening our  
offices without any charge to the public."  
Lee Jess, D.D.S., MDA President*

**Give Kids a  
SMILE**

## Do you know a child in need who could benefit from free dental care?

On Feb. 6 and 7, 2009, participating dentists and dental professionals will provide free care to children who do not have access to dental care or who cannot afford needed dental care. This special event is called "Give Kids a Smile." Minnesota dental professionals who are participating in Give Kids a Smile will volunteer their services in community clinics and in private practices throughout the state. To learn more about this program, please contact the Minnesota Dental Association at (612) 767-8400 or visit [mndental.org](http://mndental.org).

Please note: Every child must be accompanied by a parent or legal guardian and must have an appointment in advance. Sorry, same-day walk-in care is not available on these days.
