

2012 Prepaid Dues Program

The MDA is again offering the opportunity for members to participate in the prepaid dues program, an optional program open to any member who wishes to participate. If you would like to prepay your 2012 membership dues, please return this application form by June 17, 2011. This form must be returned even if you have participated in the prepaid dues program in previous years. This program was instituted for members who prefer to pay next year's dues in smaller increments over an extended period of time, rather than in one lump sum.

If you choose to participate, an estimated total of your 2012 dues for ADA, MDA and District membership will be divided into six equal installments. You will either be invoiced monthly from July through December of 2011 for these installments, or you can choose to have your monthly installment automatically charged to your credit card. If either the ADA or the MDA House of Delegates elects a dues increase, then the amount of the increase will be added to your November installment. There are no penalties for missing a monthly payment, and you may pay more than one month at a time. The only requirement is that your 2012 dues are paid in full by January 1, 2012.

In addition, if you would like to make voluntary contributions to ADPAC, MINDENPAC or the Minnesota Dental Foundation, please check the appropriate boxes below. If you are contributing to either ADPAC or MINDENPAC please enclose a personal check for those contributions with this form. Please make checks payable to the MDA.

If you have any questions, please contact Dar Numan at 612-767-8400 or 800-950-3368, ext 110.
