

Minnesota Dental Association

Endorsed Products for Business

As industry leaders, our endorsed product vendors provide members the very Best in Class in value and in service. Every company we endorse supports the mission of the MDA, has been peer reviewed and found to truly meet dentists' needs, and upholds the highest standards of business practice. And not only are the products good for your business, but many of them are valuable for your family as well. Please go to our website (www.mndental.org) for a more detailed list of benefits. Also, be sure to check out the MDA/ADA jointly endorsed products.
