

Dental Day at the Capitol

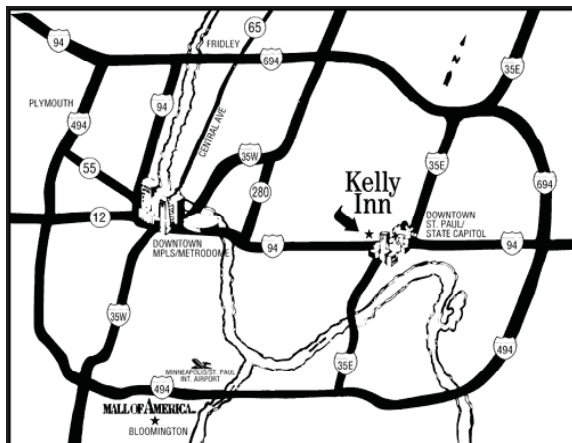

Join us **February 24, 2010** for Dental Day at the Capitol at the Kelly Inn, St. Paul.

Dental Day at the Capitol is a one-day event that brings together dental professionals as a collective voice addressing oral health care issues at the Capitol.

We need your help in making a commanding presence. We will be working on issues such as limitation of fees for non-covered services, Critical Access cuts, adult dental benefit set cuts, and DHS accountability toward oral health programs.

Registering is Easy!

And you don't need to be an expert to attend! At this event you will receive all you need to know through detailed briefing materials, handouts for your legislators, and presentations by government officials and MDA lobbyists. Box lunches will be provided.

Key Legislators Are Invited!

This year we have asked key legislators to speak to our group so we may impress upon them the importance of the issues we will be discussing, and to hear their points of view.

This year we have invited:

- Governor Tim Pawlenty
- Speaker of the House Margaret Anderson-Keliher (DFL- Minneapolis)
- House Minority Leader Kurt Zellars (R-Maple Grove)
- Senate Majority Leader Larry Pogemiller (DFL-Minneapolis)
- Senate Minority Leader David Senjem (R-Rochester)
