

The **Minnesota Dental Foundation** and the **Minnesota Dental Association** will be hosting the sixth-annual Mission of Mercy event in September, 2018.

The Minnesota Mission of Mercy (MnMOM) is a dental outreach event focused on providing free dental services to patients facing insurmountable barriers to care.

In particular, the MnMOM program focuses on:

1. Providing free dental care, especially to patients with dental infections and/or pain.
2. Raising awareness of the barriers to dental care faced by low-income adults and children.
3. Challenging state policymakers and dental professionals to work together to improve the oral health of all Minnesota residents, particularly those low-income patients who have been promised care by the state.

Key Facts

- The event takes place on **September 7-8, at the Minneapolis Convention Center, 1301 2nd Avenue South, Minneapolis, Minnesota.**
- **1,000+ dental professionals and community volunteers** are needed
 - Set up: Thursday, September 6
 - Patient treatment: Friday and Saturday, September 7-8
 - Tear down: Saturday, September 8 (evening)
- The goal is to serve **2,000 patients** during the two-day event.
- Patients will be treated on a **first-come, first-served basis**; hundreds of patients typically line up outside the night before.
- **Dental services provided** will include: cleanings, fillings, extractions, root canals in selected teeth, stainless steel crowns for children, and limited lab work (treatment partials).
- **Dental services not provided** include: crowns or root canals on molars, implants, full dentures.
- **Oral hygiene education** will be provided during the event.
- **Financial donations and in-kind contributions** will fully fund the event; it is expected that the event costs will total \$300,000 (a complete list of donors can be found on the Mission of Mercy website at www.mnmom.org).
- **Delta Dental of Minnesota Foundation is the signature sponsor.**
