Come out to the Trapshoot which has been on-going for over 90 years plus and have a wonderful time with dental colleagues, friends, and representatives in the dental industry.

We welcome anyone who is interested in trapshooting. We can help if you are a novice shooter and place you on a team with other experienced shooters. We would be more than happy to help and guide you through the different fields available – duck tower, skeet, sporting clays, trap, and wobble trap – with no worries.

Plus, we are happy to provide pre-shooting instructions before the event (the week before if you wish) and/or at the Trapshoot event itself. Just let us know and we will set it up for you.
