

Referral Sheet for Smile Factory 2025

Instructions: The following "Smile Factory" clinic has volunteered to receive referrals of children who need more extensive care than could be provided during the children's "Give Kids a Smile" visit. The attending dentist or dental staff at your clinic must contact the Smile Factory location directly to make a referral for each patient who needs additional care. The number of appointments available at each clinic is limited.

This referral sheet is for clinic use only. Do not hand it to parents.
