WHAT IS A **LEADERSHIP ACADEMY?**

A PROFESSIONAL DEVELOPMENT PROGRAM FOR EMERGING LEADERS IN ORGANIZED DENTISTRY

The MDA Leadership Academy is a 12-month program designed to provide competencies in leadership skills for those interested in leadership opportunities within organized dentistry both at the district and state levels.

A cohort of students will attend monthly meetings designed to develop core competencies critical to successful leadership.

“

The ability to learn is the most important quality a leader can have.

Sheryl Sandberg

PROGRAM DETAILS

OVER THE COURSE OF 12 MONTHS, YOU WILL PARTICIPATE IN:

A cohort of students will attend monthly lessons from a variety of instructors to develop an appreciation and understanding of organized dentistry at all levels (Tripartite). The cohort will engage in structured conversation in an effort to understand and learn critical aspects of successful leadership within an association.

Topics discussed at the meetings may include:

- Understanding Organized Dentistry (the Tripartite)
- Understanding Parliamentary procedure
- Understanding of financial statements
- Public Speaking
- Dealing with the media
- Legislative overview and training
