

MEMBER BENEFITS

Membership in the Minnesota Dental Association includes automatic membership in the American Dental Association and your local district dental society. This powerful partnership of people and programs helps protect your career investment so you can focus on your patients' oral health. This summary briefly highlights some of the key benefits at the state level.

MDA SUPPLY SOURCE

MDA Supply Source offers exclusive discount pricing for MDA members on more than 65,000 dental products from over 300 trusted brands. Association member dentists may save up to 20 percent or more.

ONLINE MARKETPLACE RESOURCE

If you're looking to hire, seeking employment, want to buy or sell a practice, or want to buy or sell used dental equipment, visit Hesy-Re.com. Hesy-Re is an online opportunity marketplace connecting the dental profession. Receive new matches when you set your search preferences and sign up to receive emails.

LEGISLATION REPRESENTATION

MINDENPAC provides an opportunity to build relationships with legislators and educate them on the importance of dentistry and the work we do in the political arena. Understanding our industry and our important issues allows legislators to make more informed public policy decisions that impact our profession and our patients. The MDA has a professional lobbyist who lobbies specifically about dental related issues in Minnesota.

ANNUAL MEETING

FREE admission to the MDA's Star of the North (the MDA's state-wide annual meeting) which is attended by over 8,500 dental professionals and students. This is an \$845.00 value.

ENDORSED PRODUCTS & SERVICES

We know the importance of working with trusted vendors, that's why the MDA has endorsed insurance programs, financial services, and office support options for our members. Every company we endorse supports the mission of the MDA and has been peer reviewed and found to meet dentists' needs. Each upholds the highest standards of business practice. Visit the MDA website, mndental.org, for a more detailed list of endorsed products and services.

MEMBER BENEFITS

PUBLICATIONS

Northwest Dentistry, the official journal of the Minnesota Dental Association, is published bi-monthly and features scientific and clinical research articles, practice management and regulatory issues guidance, and other state and district news.

News and Views is a bi-weekly electronic newsletter that gives you the information you need in a short, concise format.

Compliance Minute is a monthly e-bulletin on compliance-related topics. These brief highlights are intended to keep you and your dental team safe, compliant, and informed.

SUPPORT STAFF

The staff at the Minnesota Dental Association offer a plethora of resources, from assistance on third-party payer and regulatory compliance issues to real-time practice management assistance. Staff assistance is only a phone call or email away.

WELLNESS PROGRAM & FREE CONFIDENTIAL COUNSELING

The Minnesota Dentist Wellness Program offers counseling services to help Minnesota dentists and dental students with the many stressors that impact their lives and their practices. Call 800.632.7643 for more information. This service is available free of charge by the Minnesota Dental Association to all members and their families. Help is available by phone 24 hours a day, 7 days a week by calling 800.632.7643. Face-to-face help is also offered through a counseling and consulting network with over 500 offices in Minnesota, and thousands more throughout the United States.

MEMBER CENTER

Access the members-only section on the MDA website. There you will find resources designed to help you in your practice. The site includes tools and resources on practice management, rules and regulations, and more.
