

I have elected to be a

PROUD MEMBER OF THE MINNESOTA DENTAL ASSOCIATION

which demonstrates an **individual commitment** to the
ADA Principles of Ethics & Code of Professional Conduct

I VOW TO:

- **HONOR a patient's right to choose** and their role as an integral member of the treatment planning process. I will also honor their right to confidentiality (Autonomy)
- **PROTECT patients from harm**, utilizing current knowledge and adept skill; and providing proper referrals to optimize treatment (Nonmaleficence)
- **ACT for the benefit of the patient and the public at large**, through competent and timely delivery of dental care (Beneficence)
- **DELIVER care with fairness and without prejudice**; promoting access for all (Justice)
- **COMMUNICATE** as clearly and honestly as I can (Veracity)

I welcome questions and open discussion regarding these Principles and your Healthcare.
