calls and emails from members on COVID-19 related issues

Provided access to over

1,103

job, practice, and dental equipment listings on MDA's marketplace website, [hesy-re.com](https://www.hesy-re.com)

"The MDA Supply Source has been a great dental supply resource for my practices. By my estimates, we saved between **\$5,000** and **\$10,000** on dental supplies in 2019. Not only are we benefiting from the increased savings on dental supplies, but now we also have another reliable resource for PPE."

Dr. Seth Huiras

General Dentist and MDA Member
