A not to be missed continuing education event featuring **Dr. John A. Molinari**, which will be held at the Grace Church Eden Prairie Campus. All are welcome to attend this 3.5 hour core credit event.

**SCHEDULE**

7:30 A.M. Breakfast | 8:30 A.M. Dr. Molinari Lecture  
10:00 A.M. Break & Refreshments | 12:00 NOON Adjournment

**COURSE OVERVIEW**

The COVID-19 pandemic has forced the world to face a new normal. Delivery of health care has been significantly impacted as a result of SARS-CoV-2 emergence. This seminar will initially provide an update on the current status of COVID-19 along with discussion of SARS-CoV-2 viral variants. Reinforcement of standard precautions, as well as transmission precautions necessitated by airborne microbial challenges, will also be discussed as major components of an effective infection control plan. Updated information regarding COVID-19 vaccines and their effectiveness against emerging variants will be highlighted. In addition, the latest information pertaining to personal protective equipment (PPE) protection and air quality modifications for dentistry will be discussed in light of the most recent CDC, ADA, NIOSH, and OSHA recommendations. Bring all your questions to be asked and answered by Dr. Molinari. You will leave ready to return to the office full of new knowledge to be applied immediately in the dental practice and everyday life.

**WHO IS DR. JOHN A. MOLINARI?**

Dr. Molinari is currently Professor Emeritus at the University of Detroit Mercy School of Dentistry, where he served for 32 years as Professor and Chairman of the Department of Biomedical Sciences and Director of Infection Control. After leaving the University, he was Director of Infection Control for the Dental Advisor in Ann Arbor, Michigan, where he was involved in research evaluating new infection control technologies and products. He has published over 500 scientific articles, reports, text chapters, and abstracts in the areas of microbiology and immunology, and lectures nationally and internationally on topics dealing with infectious diseases and infection control. Dr. Molinari is also co-author of the text *Cottone's Practical Infection Control in Dentistry*.

**SEMINAR OBJECTIVES**

*At the conclusion of this presentation, participants should be able to:*

- Describe current science-based information pertaining to SARS-CoV-2 infection and COVID-19.
- Discuss current scientific and clinical information regarding COVID-19 vaccines.
- Comprehend the impact of viral variants on infection, disease, and vaccine immunity.
