A practice of giving

MINNESOTA DENTAL FOUNDATION

A practice of giving

In the Beginning...

- Incorporated in 1946 but was dormant for decades.
- A \$70,000 bequest was presented to the Minnesota Dental Association from the estate of Dr. Robert Reed, Faribault, Minnesota in 1999.

MINNESOTA DENTAL FOUNDATION

A practice of giving.

Today's Minnesota Dental Foundation

- The Minnesota Dental Foundation was merged with the Endowment and Assistance Fund in 2001 and the surviving entity was the Minnesota Dental Foundation.
- 501(c)(3) not-for-profit public foundation.
- Managed by the Minnesota Dental Foundation Board of Directors who are approved by the Board of Trustees of the Minnesota Dental Association.

Vision

The vision of the Minnesota Dental Foundation is to eliminate unmet oral health needs in Minnesota.

Mission

The mission of the Minnesota Dental Foundation is to:

- Initiate and support outreach programs that provide dental services to underserved populations and communities;
- Encourage and support volunteerism within the profession; and
- Promote careers in dentistry, especially in underserved areas.

MINNESOTA DENTAL FOUNDATION
