Minnesota Dental Foundation
1335 Industrial Blvd., Suite 200
Minneapolis, MN 55413
Fax: 612-767-8500
Email: Foundation@mindental.org

PURPOSE

The Martha Mordini Rukavina Loan Forgiveness Program is a competitive program to provide an incentive to attract dentists to practice general dentistry full-time in the Taconite Assistance Area (TAA) of northeastern Minnesota. The TAA is an area that has a documented need for dentists who will provide services to its communities and underserved populations. (See attached map.)

There is a minimum commitment of five years, but it is the intent of the program that the recipient will remain practicing in the TAA for the duration of their dental practicing career.

While there are no specific requirements as to the numbers or percentages of public care patients or uninsured patients that need to be seen, it is expected that recipients of Martha Mordini Rukavina Loan Forgiveness Program funds will see a significant number of these patients.

APPLICANT ELIGIBILITY

- Applicant must be a US Citizen or US Permanent Resident (Green Card holder).
- Applicant must hold a DDS or DMD or equivalent degree or plan on receiving one within 9 months of the application.
- Applicant must hold a license to practice dentistry in the State of Minnesota or plan on receiving one within 9 months of the application.
- Applicant must have documented educational debt held by the US Department of Education or a commercial lender. (Loans from family members or other non-institutional sources are not eligible for loan repayment assistance.)
- Applicant must not be or not have been in practice in the TAA prior to or at the time of application.
- Applicant must commit to practice full-time (at least four days per week) in the TAA for at least five years from the date of receipt of the first installment of the forgivable loan.

FUNDING

It is the intent of this program to make loan forgiveness funds available to a dentist who commits to practicing general dentistry full-time in the TAA. Forgivable loan amounts of up to \$120,000, not to exceed the applicant's documented outstanding educational debt, will be dispersed at a rate of up to \$30,000 per year for four years, commencing 90 days after the first patient is seen. Failure of the recipient to maintain a full-time general practice in the dental shortage area of the TAA for a period of at least five years will result in a 100% forfeiture of all monies received as well as accrued interest. Applicant has 90 days from the letter of acceptance or the awarding of a license to practice dentistry in Minnesota to notify the Minnesota Dental Foundation of their intention to accept the forgivable loan.

EVALUATION AND CRITERIA

There are two key tenets of this program. The first is to help bring dentists to communities within the TAA which have few or no general dentists, and the second is to facilitate the placement of dental professionals who demonstrate, both personally and professionally, a genuine desire to establish a long-term commitment to a specific community.

Each applicant will be evaluated for selection based upon information provided on the application and during the personal interview. The criteria will include, but is not limited to, where and how the applicant intends to practice, educational history, grades, written statement, and previous experience. The practice location should be in an area within the TAA with a demonstrated need for a general dentist. The Minnesota Dental Foundation, along with its selection consultants, reserves the right to determine the weighing of any criteria.

Please disclose any other education loan repayment or forgiveness applied for, received or approved to

be received. Any such repayment or forgiveness received will be a factor in the overall evaluation of each application.

All applications will be reviewed and forgivable loans awarded without reference to race, gender, disability or any other protected class status. Please note that applicants meeting any or all of the criteria are not guaranteed receipt of an award. The Minnesota Dental Foundation reserves the right to determine the recipient of any award and to do so in its sole discretion.

Once in practice, it is expected that the recipient will participate in at least one program of the Minnesota Dental Foundation such as Give Kids a Smile, Mission of Mercy or Donated Dental Services. Also, it is anticipated that the recipient will maintain membership in the Minnesota Dental Association, the American Dental Association and a component district dental society.

APPLICATION PROCESS

Please submit the completed application to the Minnesota Dental Foundation. Applications will remain open as long as there are available funds. Applications and information are available on the Minnesota Dental Foundation's website, mndentalfoundation.org. All applications are evaluated on an individual basis. A personal interview may be conducted after review of the written application. The application should include:

- A completed, legible program application form.
- Official transcripts from all dental and graduate schools attended.
- Resume' outlining education, work and volunteer experiences.
- Documentation of outstanding student loan debt and any other loan repayment assistance.
- A written statement of no more than three pages stating why the applicant wishes to practice in the TAA and what the applicant's specific career plans are for their practice in the TAA.
- A business plan, if applicable, to the TAA practice.
- One to three letters of recommendation that must include at least one from a non-dental member of the community where the applicant intends to practice.
- Any other letters, exhibits, or documents that support the application.
- Disclosure of any other education loan repayment or forgiveness applied for, received or approved to be received by the applicant.

The complete application, along with all requested information, can be mailed or emailed to the Minnesota Dental Foundation to the address or email address on the cover of this application. Receipt of the application will be sent to the applicant.
