

# Southern District Dental Society 2017 Fall Meeting

Friday, September 8<sup>th</sup>, 2017

## Morning Lecture

### **Fact or Fiction: Straight talk about HIPAA and HITECH (4 CE Credits: Elective)**

**Linda Harvey** RDH, MS, LHRM, DFASHRM.

Patient information has become high stakes in this ever-growing world of identity theft, cyber security and ransomware. Office mishaps, random audits or patient complaints could land you under the scrutiny of the Office of Civil Rights (the HIPAA police).

This presentation builds upon basic HIPAA knowledge by unraveling what each of the HIPAA laws require. Actual dental breaches will be discussed to help you avoid similar situations in your practice. Learn exactly what HIPAA's Implementation Specifications require you do to protect patient health information. Safeguard patients, yourself and your practice with the straight facts.

## Afternoon Lecture
