

Dr. Teresa Fong

Teresa Fong is a semi-retired pediatric dentist. She is an adjunct faculty member in the department of pediatric dentistry at the University of Minnesota School of Dentistry.

Her free time is spent taking care of health and shopping needs of her mother and mother-in-law; volunteering at Oak Grove Church in Children's Ministries, leading a small group Bible study with her husband, Ron; volunteering with dental students at Hope Dental Clinic, being a cohort leader for NEXUS One-a freshman honors program for students at the University of Minnesota, and serving as a commissioner on the Golden Valley Diversity, Equity, and Inclusion committee. She continues to be involved with the Minnesota Dental Association serving on the Scientific Session

Committee and planning for the 2022 Minnesota Mission of Mercy. Teresa has been married to her husband, Ron for almost 33 years. Together, they have an aerospace/mechanical engineer son named Andrew who works in Seattle; making them empty-nesters. In her free time, Teresa enjoys going to professional sports events in the Twin Cities. She is a fan of all Minnesota teams even if they rarely win. She also is a big fan of the arts-St Paul Chamber Orchestra, Hennepin Theater Series and the Ordway Theater Series. She is glad that she can see a live performance and get together with people in person once again!
