Courses and events sponsored by the Minnesota Dental Association may be eligible for CE credit through the Minnesota Board of Dentistry, DANB, the Academy of General Dentistry, and various state and provincial boards of dentistry. The hour-for-hour CE credits listed in the course/event materials refer specifically to Minnesota credits. "Fundamental", "Elective", and "Core" refer to Minnesota Board of Dentistry professional development requirements. CE requirements vary for different states and entities, and credit awarded for the above course is at the discretion of the agency to which you report. Please check with the appropriate agency for course credit eligibility. Please retain the course materials for your records.
