

Give Kids a SMILE

Spring 2020

Sponsors

Thank you to our loyal sponsors for their continued support!

3M, HealthPartners, the Minnesota Dental Foundation funded statewide radio and television ads.

Our Supporters

United Way 2-1-1 Call Specialists, who fielded inquiries from families.

Dental Experts assisted in finding allied dental professionals to volunteer at clinics in need of volunteers.

Minnesota Dental Foundation provided grants to community clinics to help defray supply costs.

Countless Caring Professionals across the state who informed families in need.

THANK YOU, VOLUNTEERS

Thousands of volunteers again stepped forward to provide free dental care for children in need in February during Give Kids a Smile. Thank you to all the volunteers for graciously donating their time and skills towards the education and betterment of children's dental health. In all, 2,173 children statewide received care from 93 hosting clinics, 233 dentists, and 1,350 total volunteers. This generously provided care is valued at \$1.2 million*. The MDA was grateful to receive funding from our longtime dedicated sponsors, 3M, HealthPartners, and the Minnesota Dental Foundation. Their involvement allowed us to provide a strong and comprehensive statewide marketing campaign.

This year, we teamed up with WCCO-TV. WCCO aired 59 PSAs, receiving 4.3 million impressions. On-air billboards received nearly

900,000 impressions. WCCO also shared GKAS content on their Facebook and Twitter pages, reaching nearly 70,000 people. Additionally, they posted banners and ads on their website, receiving over 600,000 impressions collectively. Give Kids a Smile also hit the airways by way of radio on 18 outstate stations who aired a total of 1,053 Give Kids a Smile PSAs.

-Lake Sarah Dental

Thousands of children in need are smiling bigger and brighter, but most importantly healthier, thanks to the generosity and excellent dentistry provided by Minnesota dentists and dental professionals during the annual Give Kids a Smile event.
