

Minneapolis District Dental Society & KaVo Kerr Invite You to the Special Spring New Dentist Meet & Greet

CONNECT. EAT. GATHER. LEARN.

Omni Brewing Co.

Thursday, March 28, 2019
5:30 p.m. - 8:00 p.m.

9462 Deerwood Lane North
Maple Grove, MN 55369

Our special spring gathering will include a continuing education opportunity for you as we meet in the barrel room of Omni Brewing Company in Maple Grove beginning at 5:30 p.m. – 8:00 p.m.

Integration of Technologies and Restorative Materials for Dental Practice Success

Guest Presenter - **Dr. Kate Schacherl** received her undergraduate degree at Edgewood College, Madison, Wisconsin, in 2004 and her Doctor of Dental Surgery Degree from Marquette University School of Dentistry in 2008.

Implementation of technology and development of efficient workflows to enhance the lives of providers and patients. In this presentation, implementation of CBCT technology, intraoral scanners and cameras will be discussed. Additionally, real world advice will be provided on how to put in place the most efficient restorative workflows using top-of-the-line products. There will be two continuing education credits available for this complementary lecture along with our spring new dentist meet & greet festivities.

Minneapolis District Dental Society

2475 15th Street NW, Suite C
New Brighton, MN 55112-5606

Calling all new dentists to join us for bites and brews. Connect with others and expand your network during this special spring gathering.

Appetizers and pizza will be provided compliments of KaVo Kerr.
Two drink tickets will be provided compliments of Dyste Williams.
